

LISTEN UP!

Here's your opportunity to serve the Lord!

Have you ever had interest in music?
Do you enjoy knowing how things work?
Like being the go to guy or gal.

Then the sound board is the right place for you!

- Learn how the sound equipment works.
- Learn the ins & outs for running the sound board.
- Better your knowledge of sound equipment and set-up.

INTERESTED?

If so meet at the church in the sanctuary on Wednesdays evenings at 5:30 for an overview of the sound system, and how to work it.

Can't make it on Wednesdays?

Meet same place on Sundays about 15 minutes before Sunday School starts (8:30am).
